## “Junk” Prohibited

Clean up your yards, remove old junk, unlicensed vehicles, tires, appliances, random lumber, weeds and brush. Remember your back yard too!! Avoid notification and fines by cleaning up your property today. City officials are inspecting for violations throughout the year to keep Glidden a fine place to live. Thank you for your cooperation.

## Brush Pile Regulations

The City brush pile is open for Glidden residents only. The City reminds its residents that only tree limbs, brush and grass clippings which were generated within the City limits may be taken to the City's brush pile. Please remove all plastic bags from the brush pile. It is a violation of the City Code to use the brush pile for anything other than this use. Violators may receive a fine of up to \$100 for the first violation and up to \$200 for each subsequent violation. Many residents appreciate the use of the brush pile - please observe these rules so that the brush pile can remain a community asset.
