Where do I put my Garbage Cart?

Please remember that your garbage cart must be accessible 18 inches from the curb. Your clean driveway approach may be the best option during heavy snow times. Please do not place your cart on city streets or in the alleys. City snowplows cannot clear snow properly when carts are placed on city streets. Point the cart wheels and the handle facing your home. Make sure your container is at least three feet from other containers, parked cars, mailbox posts, etc. Close lid, grasp container handles firmly with both hands and wheel the container to the curb.

Library Sesquicentennial Cookbook

With Glidden preparing to celebrate its sesquicentennial in 2017, the library will be putting together a cookbook as a fundraising project. We would love to include your family favorites, you can share one or a dozen. Drop them off with Erin at the library anytime as this will be an on going project this year with several reminders to come.
